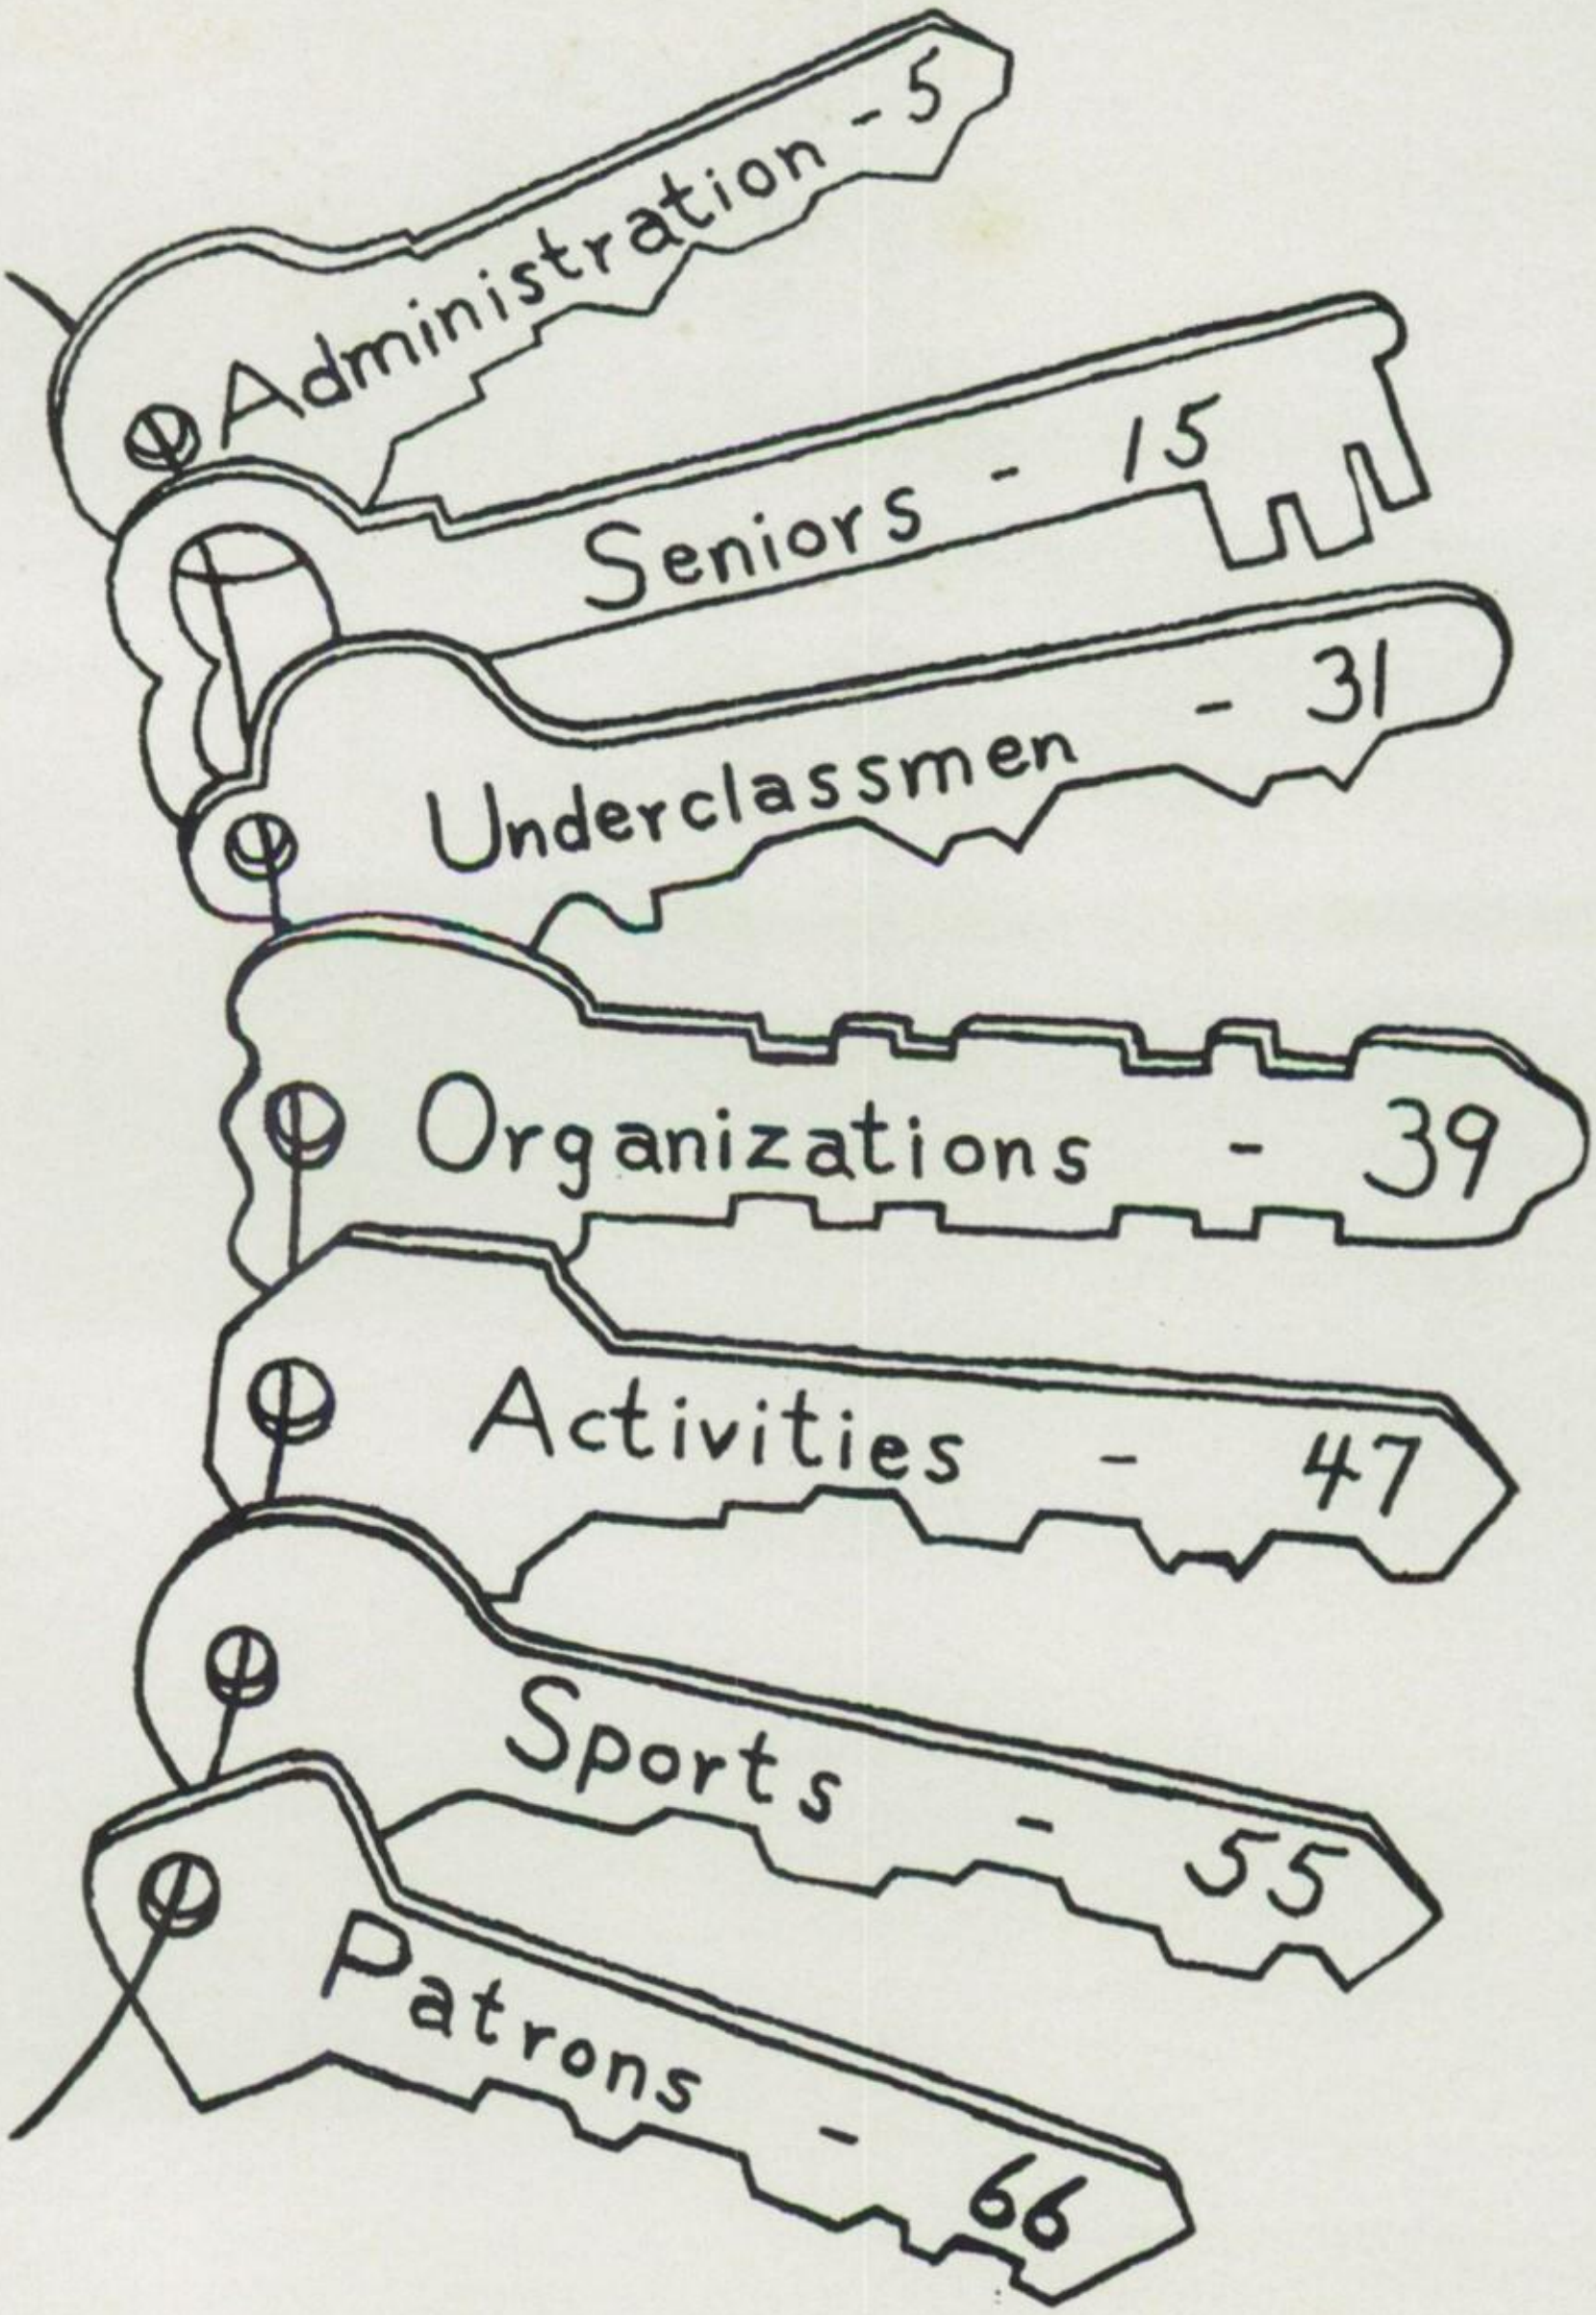
FOREWORD

All too soon, memories will be all that is left of our high school life. We hope this book will serve as your "KEY TO MEMORIES". We have chosen this theme so that in future years we can look back on the experiences we have shared as the Class of 1958. We can only hope that those who follow will have equally pleasant memories.

TABLE OF CONTENTS



Dedication

In hope of expressing our appreciation for all the help you have given us: as our coach, teaching us good sportsmanship; as a teacher and class advisor, guiding us through our sophomore year; and as a member of the faculty to whom we could always turn with our problems, we, the Class of 1958, dedicate our Lanconian to you—

JOHN W. RESETAR

ADMINISTRATION

Their influence will be felt and their encouragement remembered throughout our lives.

To the Class of 1958—

"Happy is the man who finds wisdom and the man who gets understanding, for the gain from it is better than gain from silver and its profit better than gold". I can give the Class of 1958 no better message than these words from the Proverbs of Solomon. If you consider your high school graduation as truly the "commencement" of your education and strive throughout life for ever-increasing wisdom and understanding, you will have a happy and useful life and the world will be the better for your having lived.

Memories are the result of experience, and experience is a wise teacher. Graduation from high school is the first real crossroad in your life. Your present decisions will affect and determine your future. Those of you who will take advantage of your experiences will profit greatly.

Reminiscing is a pleasant way to pass the time, but you cannot afford to spend too much time looking back. You must direct your best efforts to the future, which will determine "what will be." Whatever your station in life, pursue it to the best of your ability, and you will enjoy a real sense of accomplishment.

Memories almost always include people—your parents, friends, and teachers. As the years pass, you will come to realize how many important contributions these people have made to you. Don't forget them! Good luck and Godspeed.

Language Department

Besides English, which is compulsory, both Latin and German are available. Under Mr. Graber's supervision, these students demonstrate their skill at German translation.

Business Department

This department is a fairly new and popular one. Typing, bookkeeping, and shorthand are among the subjects offered. Here, a typist gets capable assistance from Mrs. Kocher.

Guidance Department

Whether choosing courses or planning for the future, students find Mr. Weaver, our Guidance Director, always ready and able to advise. His office bulletin board attracts many who are seeking information.

Social Studies Department

By the time they graduate, pupils have acquired a comprehensive picture of the world they live in, through a study of Civics, History, and the Problems of Democracy. Map study is only one of the phases of the program as shown here by Mr. Kroninger.

Mathematics Department

As one of our largest departments, it offers a variety of subjects: Arithmetic, Algebra, Plane Geometry, and Trigonometry. This complex Geometry problem, devised by Mr. Carfagno, presents a challenge to these students.

Art Department

Under the direction of Mrs. Shaffer, students learn to express themselves through creative work. In addition, the classes take an annual field trip to see the work of other artists. The two artists in this picture are putting their ideas on canvas.

Music Department

In addition to regular classes where students learn the fundamentals of music, instruction is given to those who wish to play a musical instrument. Singing is one of the popular activities of a music class, under the director of Mr. Biely.

Science Department

Teaching what makes up the world about us is the aim of the Science Department. Besides dissection, which is a part of the Biology course taught by Mr. Resetar, Physics and Chemistry are also offered.

Driver Training Department

There are two parts to this department: road work, which is optional, and class work, which is compulsory in the junior year. Shown here is a class being instructed in the mechanics of a car by their instructor, Mr. VanArt.

Homemaking Department

For those girls who are interested, this department offers an opportunity to learn the domestic skills necessary to become a successful homemaker. The highlight of this course is the annual fashion show in which the girls model their creations.

Industrial Arts Department

In Shop the boys are taught woodworking skills and other handicrafts. These skills are put to practical use in the making of stage scenery and other props for the various school activities. Under the supervision of Mr. Eurich, these boys learn the proper method of welding.

Physical Education Department

Teaching good sportsmanship is the aim of this department. The well-rounded program covers all sports as well as gymnastics and a program of interclass competition. This human pyramid has been constructed by the boys as Mr. High lends moral support.

Moments from the Past

In 1954, we unlocked the door to our high school life. We began our journey as freshmen by organizing ourselves into a class and electing officers: President, Carolyn Kriebel; Vice-President, Donald Kirkner; Secretary, Gail Hughes; and Treasurer, John Kratz. Mr. Weaver and Mr. Hader were our able advisors. We had several class parties which provided recreation and helped to unite us.

Then came our sophomore year, bringing with it our first dance, "Moonlight Serenade", which was very successful. Officers for the year were: President, Donald Kirkner; Vice-President, Ed Rutter; Secretary, Janis Riegel; and Treasurer, Jack Preston. Spring came and we chose and received our class rings, which we wear with pride. Helping us with these projects were our advisors, Mr. Resetar and Mr. Eurich.

To guide us through our junior year we chose, as officers, President, Robert McCahan; Vice-President, Donald Kirkner; Secretary, Janis Riegel; and Treasurer, Gilbert Axford. Bright mo-

ments of this year were our dances, the Junior Prom, our assembly, and many other events. Our dances, "June in January", and "Garden of Eden", were great successes. Our assembly, "The Sullivan-Sheppard Show", proved very popular with the audience, especially when Elvis Presley (played by Ed Rutter) put in an appearance. Junior Day provided fun and freedom from senior domination. In inter-class competition, the junior boys proved themselves to be champs. The highlight of the year was our Prom, "Oriental Gardens". In this great undertaking, and all other activities, we were aided by our advisors, Mr. Carfagno and Mr. Kroninger. On Class Night we said farewell to the graduating seniors with the traditional garland and song, received our legacy from their will, and also the Key of Education. Thus ended our days as underclassmen.

Moments

Then we began our all-important senior year. To lead us toward graduation, we chose President, Bob McCahan; Vice-President, Ed Rutter; Secretary, Janis Riegel; Treasurer, Gil Axford; and Assistant Treasurer, Ted Cole. The class became a group of salesmen, selling Christmas cards and candy, Easter candy and baked goods, to earn money toward our class trip to Washington, D.C. Both boys and girls proved their athletic ability by winning the titles of Inter-class Basketball Champions. In April we became actors and put on our senior play, "Tattletale", a comedy which was enjoyed by the many who attended. Throughout this year, the invaluable assistance of our advisor, Mr. Graber, in all class matters was greatly appreciated.

In the future, these memories will serve to remind us of the good times and experiences we had together as the class of '58.

The Class of 1959

The junior class is bringing to a close a very busy year which will long be remembered. We also sponsored two dances, one in January entitled "Destination Moon" and another for St. Patrick's Day entitled "Shamrock 'n' Roll". Also, throughout the year, we had several class parties that were enjoyed by all.

We are now beginning to plan for our Junior Prom to be held on May 17, 1958.

We, the members of the junior class, extend our best wishes for a successful future to the graduating class.

Spring again brought with it the annual celebration of May Day at Schwenksville High School.

The event again opened with the Queen and her court being escorted onto the athletic field in convertibles. The May Queen, Doris Little, was crowned by last year's Queen, Wilma Klingelhoeffer.

Following the traditional May Pole Dance, the track and field events took place in which the seniors took first place, and the juniors, second. This then brought to a close the Sixth Annual May Day at Lanco High.

Junior Prom

Oriental Gardens, the colorful and enchanting theme of our Junior Prom, was carried out by the many beautiful decorations.

The auditorium was converted into a romantic Japanese garden with pillars and a pagoda in the background. Adding to the atmosphere were cherry trees, Japanese lanterns, fans and floral arrangements.

Musically the Hi-Fi's provided a wonderful evening for dancing. The Oriental background of the stage provided a perfect setting for the orchestra.

The highlight of the evening was the crowning of Prom Queen Barbara Beltz by Junior Class President Robert McCahan.

Months of preparation by the class were rewarded with a most successful and memorable evening.

The coronation dance is danced by Bob and Barbara.

Senior Play

"Tattletale", a hilarious three-act comedy, was presented on April 11th and 12th, 1958, by the Senior Class, under the direction of Dallas S. Graber.

The play takes place in the Blaine's living room. Through some unfortunate circumstances, Patty Blaine manages to have her secret diary published in the town newspaper. At the same time, she and her boy-friend, Tod Jennings, break the typewriter which Tod has borrowed from the principal's office. This leads to an investigation and a farce to throw suspicion off Patty.

After a series of comical antics, Patty is caught. As things are straightened out, everyone realizes that the diary woke the town up to its own faults. Everything ends happily as Tod and Patty kiss.

Ed Rutter and Carol Meng reign as King and Queen of Hearts.

King and Queen of Hearts

At "Shamrock 'n' Roll", a dance sponsored by the junior class on March 17, 1958, the King and Queen of Hearts were crowned. The annual Valentine Dance, sponsored by the Athletic Association, at which they usually reign, was cancelled due to a snowstorm.

This year Carol Meng and Edward Rutter were chosen King and Queen. Carol wore a white gown, trimmed in pink. The couple was crowned by Mr. Hader in the picturesque stage setting created by the juniors.

After the crowning, the royal couple danced the traditional dance while their subjects watched.

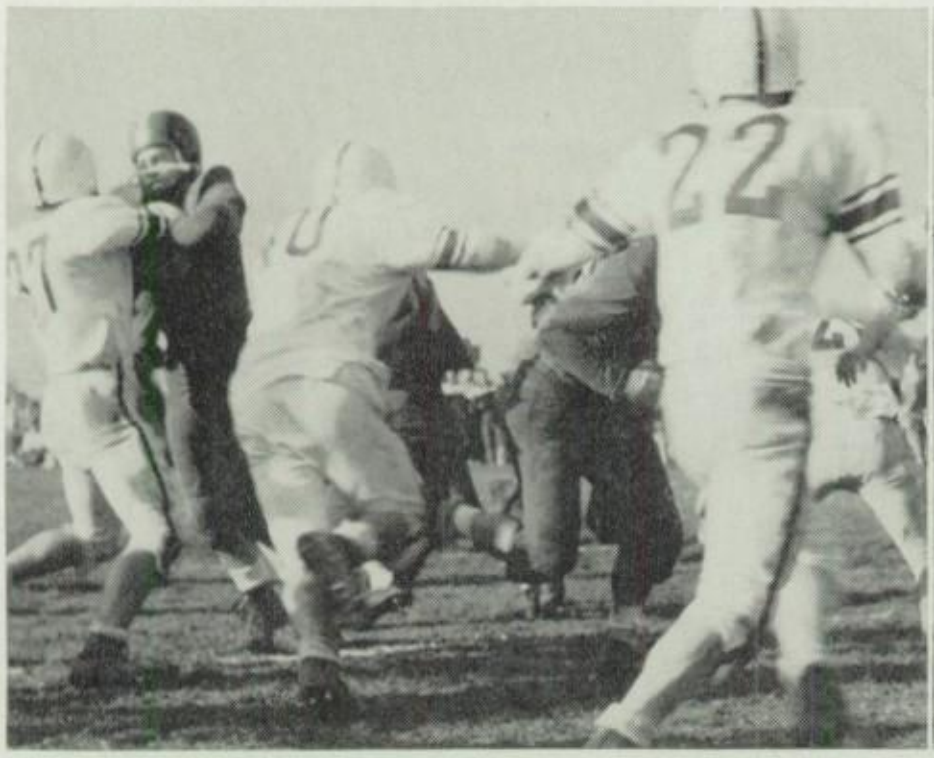
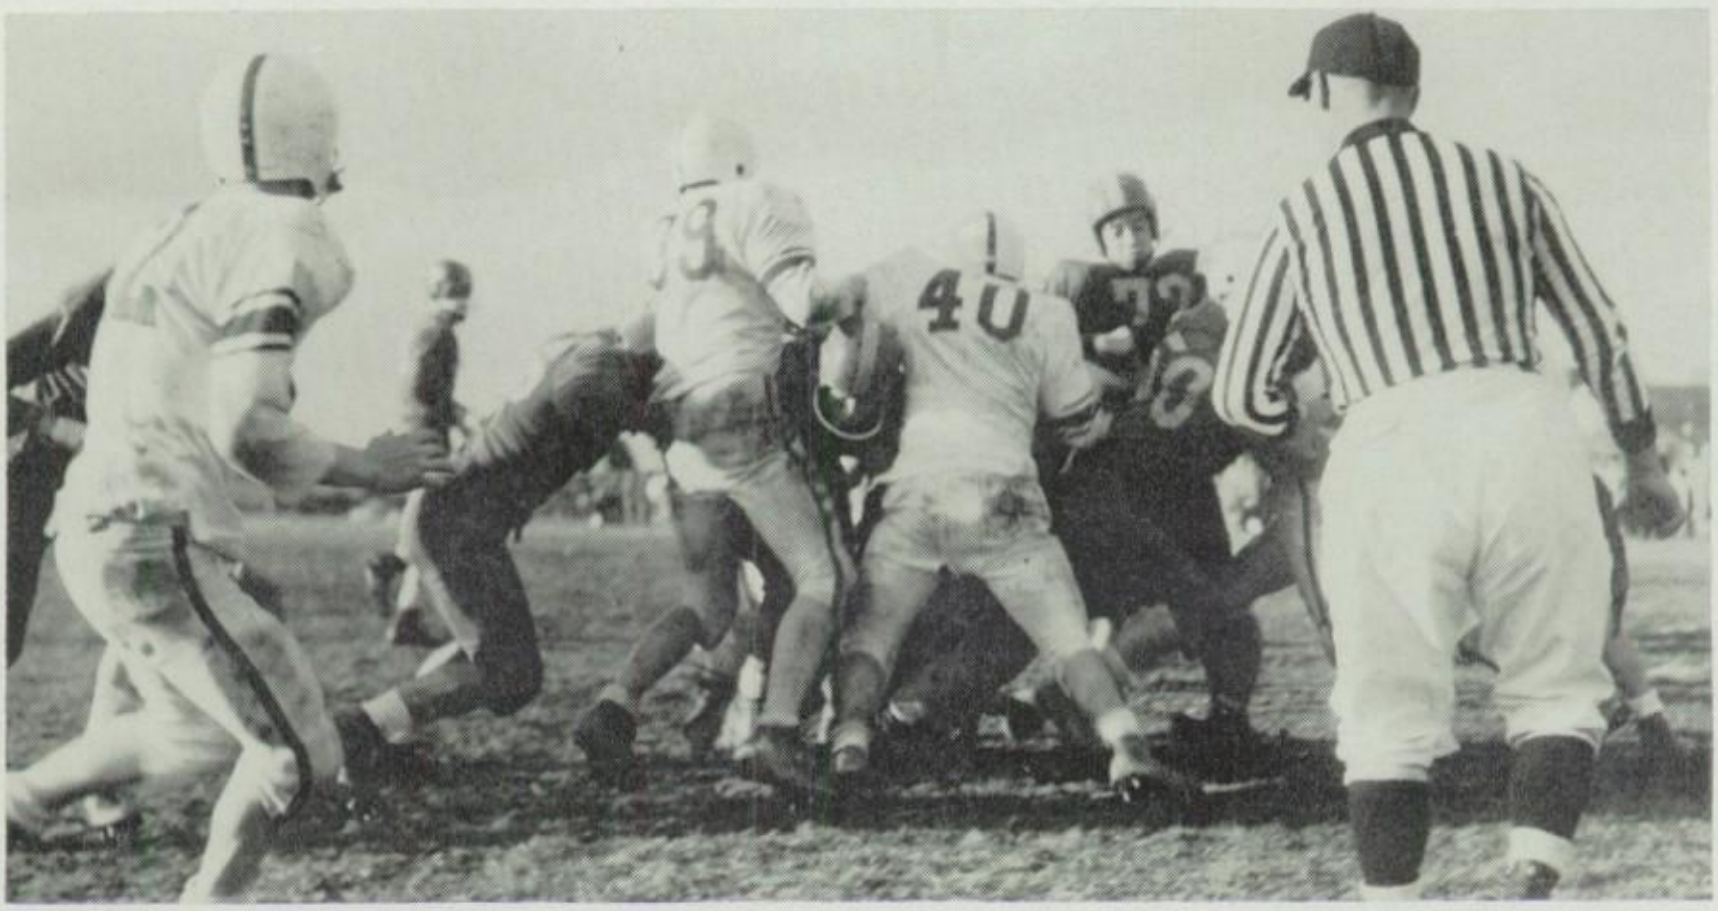
SPORTS

Whether on the team or on the bleachers, we cheered for victory.



Although the boys are playing hard, this scene looks like a wild dance.

Heads or tails? The coin toss before the game is a tense moment.



A pile-up results as the Bluebirds halt the opposition during the Schwenksville-Collegeville game.

Football

The 1957-58 football season was not too successful for our Bluebirds, as they won only one game. However, despite this unfavorable record, the boys displayed excellent sportsmanship and lost two of the games by less than two touchdowns.

Leading scorer of the team was Roger Jones with three touchdowns, followed by "Bill" Ziegler with two. Outstanding performances were turned in by "Ed" Creter, "Don" Freier, and Wayne Kraemer. With these boys and a good group of underclassmen returning, Mr. Resetar is looking forward to a better season next year.

Graduating this June will be the captain and six other team members. Although these boys will not be back next year, they and the rest of the senior class wish the team the best of luck next year and in the seasons to come.

Varsity Hockey

This year our varsity hockey team won one game and tied one game. Our last game of the 1957 season was played with Spring-Ford, and even though it rained during most of the game, Schwenksville came out on top for their only victory of the season. The two co-captains for the hockey team were Carol Meng and Marjorie Barron.

Junior Varsity Hockey

The junior varsity played six very nice games this year. Even though they tied three games and lost three games, their spirits were always high. With these players moving up to the varsity team during the next year or so, Schwenksville students can look forward with confidence to a winning hockey team. The co-captains were Catherine Harrington and Carol Shankweiler.

"Is it in or isn't it?" . . . that's what both Schwenksville and Lower Moreland players seem to be wondering.

The referee has called a jump between Roger Jones and a Collegeville player.

Schwenksville's shot is headed for the basket.

Boys' Varsity Basketball

Although the 1957-58 basketball season was disappointing to our Bluebirds, they won three games. The most impressive win was over a highly rated Lower Moreland team.

Leading scorer on the team was "Bob" Gaugler with 189 points.

This was the first season under our new coach, Mr. High, and although the fellows did not provide him with much of a record, we are certain they will do much better next year.

J. V. Basketball

Although the Junior Varsity team won only one game this season, this poor record can be chalked up to inexperience, because this was the first year for over half of the team members.

By the end of the season they were looking a lot better, and they are looking forward to a more successful season next year.

Margie Weldon has just taken a foul shot.

Our Bluebird is being closely guarded as she attempts to pass in this game with Boyertown.

It's anybody's ball—and both teams are scrambling for it.

(*Left to right*), L. Sell, E. Cope (managers), C. Meng, E. Kratz, D. Boohar, M. Barron (captain), A. Golden, C. Kriebel, C. Arnold, M. Weldon, Miss Chudik. (*Absent*) was Flossie Frey (co-captain).

Girls' Varsity Basketball

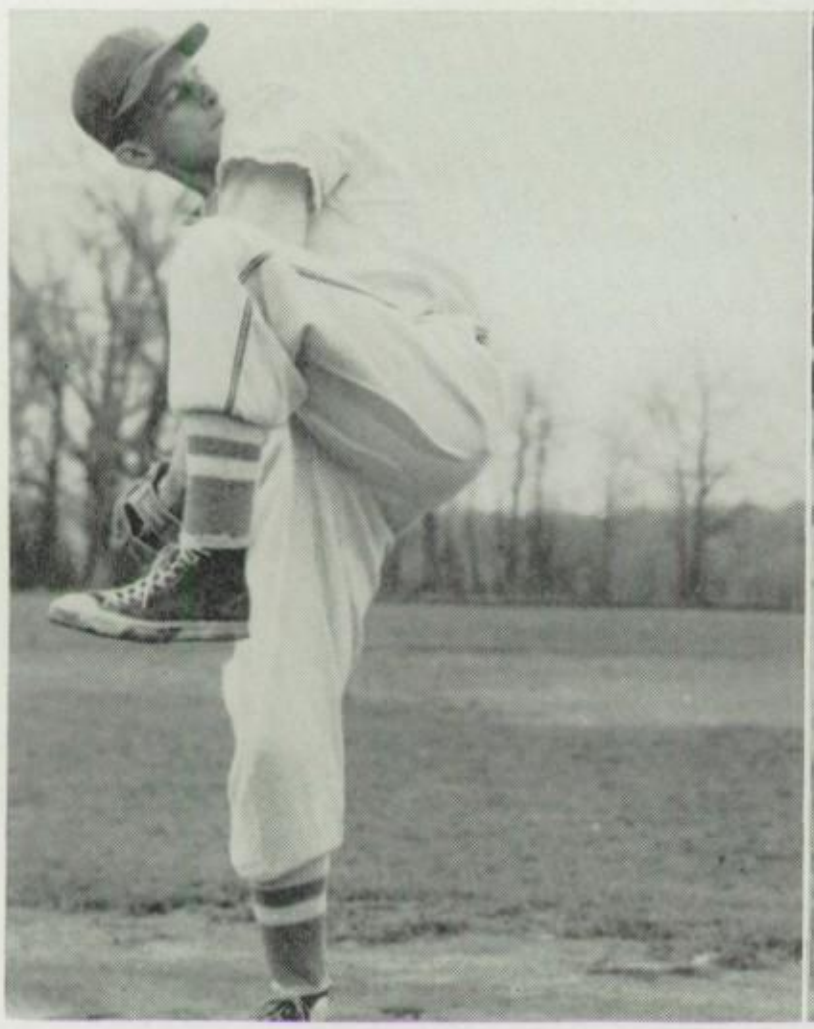
The girls' team played five league games and won one this year. But even with the losses they were always in good spirits, and with the help of Miss Chudik, continued to fight for a victory. Ann Golden was high scorer with 89 points. Co-Captains for the team were "Margie" Barron and "Flossie" Frey.

J. V. Basketball

The Junior Varsity had a more successful season by bringing in two victories for Schwenksville in five league games. Nancy Barron and Dawn Royer were co-captains of the team.

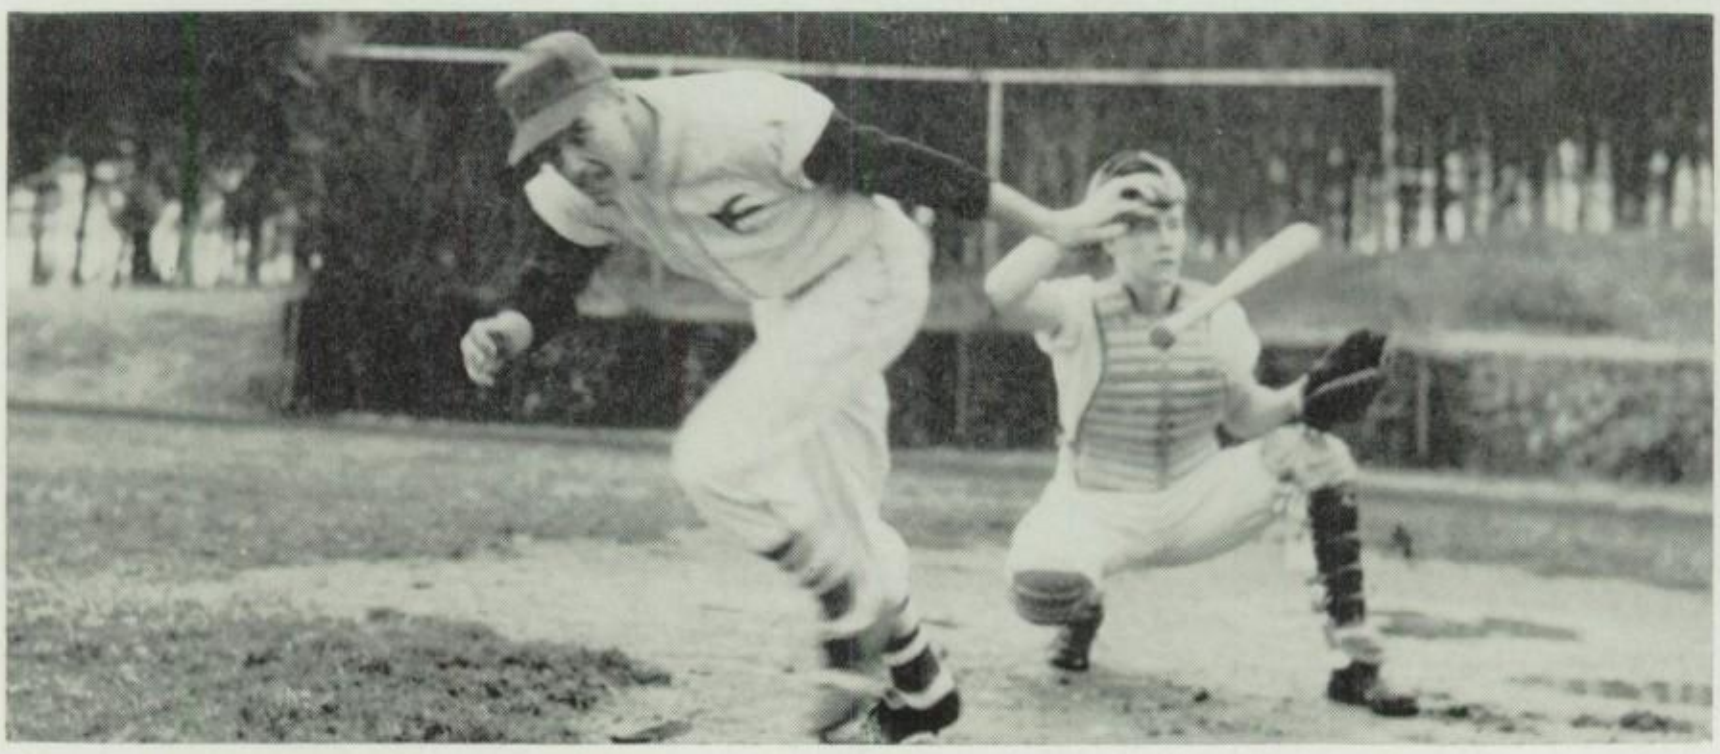
(*Standing*) B. Smith (manager), J. Berry, N. Bossert, A. Williams, S. Sprawls, P. Beltz, Miss Chudik, D. Hunsicker, R. Kratz, M. Sheppard, D. Wadlinger, J. Gertzen, D. Clemmer, D. Weidenmoyer (manager). (*Kneeling*) Co-captains D. Royer, N. Barron.

'On deck' and waiting their turns to bat are the senior members of the team. They are: J. Kratz, W. Ziegler, S. Radcliff, R. McCahan, W. Swarr, D. Kirkner, T. Cole, E. Rutter.



Pitcher Bob Gaugler is all set to strike out the opposition.

Catcher Ed Rutter makes a fast play.



Skip's hit seems to be good for extra bases.

Baseball

The 1956-57 baseball season was one of the most successful on record for Schwenksville High's Bluebirds as they won the Perkiomen-Schuylkill Valley League Championship. The fellows had a season's record of five wins and three losses, finishing in a three way tie for first place with Collegeville-Trappe and Owen J. Roberts. In the playoffs the Bluebirds beat both C-T and Roberts, giving them a final season's record of seven wins and three losses.

Some outstanding performers on the squad were "Mike" Hader, "Skip" Kirkner, and "Bob" Gaugler. "Mike" and "Skip" batted .464 and .486 respectively, while "Bob" as a pitcher won five games and lost none.

Returning to this year's squad are: "Skip" Kirkner, "Stan" Radcliff, "Bill" Ziegler, "Win" Swarr, "Ted" Cole, and "Bob" McCahan. Coach Hader is expecting a lot from these boys and is looking forward to another successful season. As this book goes to print, we wish them luck, and hope they can bring us another league championship.
